Are you planning on auditioning for a youth orchestra other than school? Yes No

If so, which one?

List the two most difficult solo pieces you have performed.

List all chamber works you have performed in the past 2 years (use back of this sheet if necessary).

List all musical activities in which you have been involved and any music awards or scholarships you have received in the last two years.

When we receive this application, we will call you to set up an audition (unless you have already played for us at school). We will then send you a Participation Agreement to be signed by both the guardian and the student. You will need to send that back to us via mail as soon as possible, along with either the full payment or the first payment, before we can send you music and start coaching. Your payment schedule will be listed on the Participation Agreement.

Thank you for your application. We look forward to seeing you at Franklin Pond.
